

SECTION 5

Below is a link to *Haze Gray & Underway's* pages on Royal Navy escort carriers:

Hazegray is one of the web's finest sites dedicated to ships and navies, offering a wide array of resources related to naval history, current naval affairs, shipbuilding, maritime history, and naval and maritime photography.

Haze Gray and Underway was founded in 1994 by [Andrew Toppan](#).

Today, *Hazegray* is the collaborative effort of several people who share an interest in the topics presented. You will find the author's name listed at the bottom of each page on the site.
